Christian Church in PA

## 2017 Rentals

An all church retreat, an Elder's retreat and a church picnic: these are the ways that the camp property helped in spiritual formation for the Allison, Charleroi and Connellsville congregations. How can your congregation be blessed with some time on the mountain?

There are special rental rates for church rentals which allow access to the entire property. The rental policy and forms are available online at [laurelview.org](http://laurelview.org). Plan your time on the mountain now!

### Thank you Donors!

Laurelview continues to be blessed by many generous donors this year. This includes \$30,000 for new windows and doors for the cabins and barn, a new 4 seat golf cart, donated machinery usage and numerous other gifts of cookies, gift cards, food, money, time and prayer. The support of camp is vital to its continued ministry. Donations can be made online at [laurelview.org](http://laurelview.org) or mailed to "CCINPA-LAURELVIEW" PO Box 465, California, PA 15419. Thank you all!

### The buzz about camp:

**This camp is the best spiritual night camp that I have ever went to the day I got there I thought this would not be fun because you could not have your phone and I have been going since 1st grade and I am still going and I am going into 7th grade.**  
 Noah Raymond, Central Christian Church – Uniontown

### RETREATS!

Separate Chi Rho and Sr. High Retreats were held in the Spring and Fall of 2017 to accommodate the number of kids looking for some spiritual time on the mountain. 84 youth attended Spring Retreats while 60 attended in the Fall. Save the dates for Spring retreats!

### REGIONAL SCHOLARSHIP POLICY AND FUND INFORMATION

9 campers were awarded scholarships totaling \$900 in 2017. This is over and above the support provided by local churches. There is a scholarship policy and application online at [laurelview.org](http://laurelview.org). Applications are due May 31 for the 2018 season. The applications must be signed by the minister or board chair of the sponsoring church.

Please consider helping by making a donation marked "scholarship" either by check or via the website with a credit card. Help a kid get to camp! Watch for scholarship fundraisers, too! If you have questions, or would like to chair a fundraiser, please contact Lisa Buday at 724-938-1355 or [taskforce@laurelview.org](mailto:taskforce@laurelview.org).
