

Camp **Laurelview**

Christian Church in PA

As part of the on-going efforts to improve Laurelview's facilities, we're planning a long overdue overhaul of our camper beds. The new beds will be 6" wider than our current ones and will have honest-to-goodness spring mattresses, instead of our current fabric filled mats. The mattresses are wipeable and bedbug proof. To maintain the same number of available bunks, each room will have five regular beds plus two bunk beds. This is a \$26,000.00 project for these commercial use beds and mattresses, made in the USA by American Bedding Manufacturers.

If you or your church donate an entire bed unit a commemorative plaque will be attached to the bed.

A standard bed donation is \$330, and a bunk bed \$765.

Mail donations of any amount to :

CCinPA-Laurelview

PO Box 465

California, PA 15419

Any gift can be given in honor or in memory of a loved one, just let us know!
